Subject: RE: Proposed MOU

Good Morning: On behalf of the Coalition, attached is our markup of the proposed MOU. We believe we have very lightly marked this document and only have a couple of margin comments for you to consider.

After you have had a chance to review, I would suggest we set a call to turn the pages and deal with any final comments or concerns.

Note: the Coalition continues to move forward with arrangements while these discussions pend. I believe we await the Counties' feedback on the proposed letter and survey/consent form for the untested well owners via AECOM/Northern Lakes.

Thank you.
